## Wisdom for Parenting

### A Five-Week Devotional Study

Sharonda Cooper

#### Summary

**This is not your typical parenting book. It's not a how-to guide or a manual for raising successful children. It's a book for *you*, the mother, and it focuses on the ways God changes and grows you in any and every season of parenting.**

**Designed for personal use or group study, *Wisdom for Parenting* prepares moms at any age or stage to pursue and steward biblical wisdom. Applying theological principles to the joys and challenges of motherhood, Sharonda Cooper equips women to ground their identity in Christ as they dedicate their parenting to him.**

#### FEATURES

- daily personal reflection questions
- weekly group discussion questions
- 25 wisdom principles
- space for notes

#### ENDORSEMENTS

"There is no manual for a Christian mom; our experiences are wide and varied. Rather than giving one-size-fits-all advice, Sharonda helps mothers connect their identity to Christ, face sin head-on, find true hope in suffering, and release control to the One who has proven trustworthy."

**-Elizabeth Santelmann**, Founder, *Sunshine in My Nest* Podcast

"*Wisdom for Parenting* is a daily devotional, but it also feels like map that directs and encourages all who walk this journey as mothers of children and daughters of the King."

**-Ginger Blomberg**, Author, *Charlie and the Preschool Prodigal*

"I need constant reminders of what must be at the heart of my parenting: a steady trust in God. Sharonda Cooper's devotional is full of those reminders for each stage and experience of motherhood. This is a resource I will eagerly give younger moms at my church, but it's also a resource I will turn to again and again as I approach empty nesting."

**-Christine Hoover**, Author, *More Than Enough*

"Sharonda's book is chock-full of wisdom and will help so many moms, younger and older. I most appreciate how she beautifully handles God's Word and points us to Jesus."

**-Kristen Wetherell**, Author, *Humble Moms: How the Work of Christ Sustains the Work of Motherhood*

"Sharonda Cooper recognizes that God's Word holds the power to shape us and our parenting. Her five-week devotional is chock-full of biblical wisdom rather than personal advice. Her own stories and experiences as a seasoned mother infuse this resource with encouragement and hope while anchoring it in the Word of God. Pick up a copy today for yourself or work through it with other moms to grow in your parenting wisdom."

**-Erin Wheeler**, Cohost, *Priscilla Talk* Podcast; Author, *The Church*

1 Before the throne of God above  
I have a strong and perfect plea,  
a great High Priest whose name is Love,  
who ever lives and pleads for me.  
My name is graven on his hands;  
my name is written on his heart;  
I know that while in heav'n he stands,  
no tongue can bid me thence depart.

## I'm the Worst

*How Freedom Is Found in Admitting Our Faults*

Nathan Clarkson

*Best-selling author and actor says to readers, "I'm the worst . . . and so are you"*

Many in today's society have fallen into the trap of finger-pointing and casting blame on others—the other party, the other team, the other tribe, the other belief system. It has become natural to assume that everything wrong with the world is “their” fault. Christians are often quick to point out the lower moral standards of others, but deep down even the most devout followers of Jesus know the truth: They are no better than the people they blame.

Nathan Clarkson provides an unlikely perspective on the us-versus-them mindset prevalent in our culture. He asks, What if we turned the finger-pointing toward ourselves? What if in recognizing that we are not good, we can find relief, peace, and freedom from the pressure of achieving our own righteousness?

In *I'm the Worst*, readers are encouraged to choose the difficult road of introspection that pulls their gaze from the sins of others to their very own sin, ultimately leading to a deeper understanding of grace—what it means to give it to others and receive it from God.

**Nathan Clarkson** is an award-winning actor, a Netflix-trending filmmaker, and best-selling author of several books, including *Different* and *Uniquely You*. He is a podcast philosopher on the award-winning show *The Overthinkers*. Nathan writes regularly on the intersection of faith and culture for the Patheos column Cross Cultural and has been featured in outlets such as the *LA Times*, *Variety*, and *Relevant*. ## Esther

*Discovering God's Enduring Care for His People*

DISCOVER TOGETHER BIBLE STUDY SERIES

Sue Edwards and Rebecca Carrell

*An eight-week inductive Bible study for relying on God's plan*

With the chaos in today's society, it can be difficult for busy women to notice God's intentional care and control in their lives. The book of Esther may seem like a fairy tale, but in reality, it involves heavy topics that parallel with the modern day, like human trafficking, genocide, and God's sovereign hand of protection through it all.

It's possible for women to find peace that passes understanding even in this chaotic world. Esther's saga brims with the reality that God actively played a role in Esther's life, and he continues to be active in the lives of women today. In one of the only two books of the Bible where God isn't named directly, his faithful involvement is abundantly clear as he keeps his promise to his covenant people.

Join Sue Edwards and Rebecca Carrell as they go deeper into a popular Bible story, promoting introspection, reflection, and personal discovery. Women of all ages and spiritual walks will benefit from the practical application, word studies, and discussion questions.

**Sue Edwards** (MA, Dallas Theological Seminary; DMin, Gordon-Conwell Theological Seminary) is professor emeritus of educational ministries and leadership at Dallas Theological Seminary. ## In the Company of the Weary

### Ten Gentle Spiritual Practices for Your Tired Soul

Becky L. McCoy

*Spiritual practices for the burned-out or grieving Christian, from an author who's been there*

Women managing grief, burnout, or mental illness may feel limited in their spirituality, unable to push through to participate in the often exhausting and effortful faith practices common in Christian communities. How can these weary Christians connect with God when it feels impossible?

Becky L. McCoy faced this issue personally. Hindered by grief, depression, and anxiety, she thought a meaningful spiritual life required more than she could give—until she began exploring contemplative practices and unlocked a gentle and accessible way of faith she never expected.

Now she's inviting Christians tired from trying to do spirituality the “right” way to join her by experimenting with a new take on ancient practices. Readers will

- discover new, thoughtful ways of connecting with God,
- shift their perspectives on silence and the purpose of spiritual practices,
- realize spirituality should be full of curiosity and mystery, and
- learn that God is interested not in how much they know but in how they respond to their human limitations.

*In the Company of the Weary* is a gentle invitation for readers to reweave their faith with healthy practices that will honor their limitations and nourish their weary souls.

Through biblical narratives and personal insights, Hibbs unveils autonomy's destructive path while pointing to Jesus Christ, who shows us true strength through complete dependence on the Father. With poetic wisdom and pastoral warmth, this book challenges readers to embrace what we were created for: beautiful dependence on God and each other.

**Tim Challies**

*Author, 'Seasons of Sorrow'*

Autonomy, the sinful striving of human beings for independence that denies or otherwise rejects creaturely dependence on God as well as the need for others, is universal. 'Our Hope Is In Help' is written for a broad audience with a poetic flair throughout, an added attraction for many readers.

DESCRIPTION

**Reclaim God's Design for Manhood in a Confused World**

In an era where masculinity is constantly redefined, Christian men need biblical clarity. Pastor Matthew D. Adams cuts through cultural noise to reveal authentic manhood according to God's Word.

*Act Like a Man* isn't about toxic stereotypes—it's about Christlike character. Adams presents five foundational principles:

- **righteous living**
- **sacrificial love**
- **dependent leadership**
- **courageous zeal**
- **humble servanthood**

He then applies them to marriage, fatherhood, church, work, and society.

Whether you're a husband, father, or leader seeking to honor God, this book provides Spirit-empowered guidance rooted in Scripture's timeless wisdom.

Don't let culture define your manhood. Discover what it truly means to 'act like a man' according to your Creator.

AUTHOR

Matthew D. Adams is the Senior Pastor of First Presbyterian Church in Dillon, South Carolina and is ordained in the Presbyterian Church in America (PCA). He and his wife, Beth, are the proud parents of three covenant children.

ENDORSEMENTS

This is a book that a pastor can safely place in the hands of the men of his congregation. It is pastorally faithful, veering away from the extremes that are being proliferated.

**Carl Robbins**

*Senior Pastor, Woodruff Road PCA, Simpsonville, South Carolina*

Unlike so many resources on masculinity which are full of opinions but short on God's Word, Matt Adams' 'Act Like a Man', is thoroughly theological. In grounding his answers in the Scriptures, he then points men to the things that really matter.

**Jonathan Master**

*President, Greenville Presbyterian Theological Seminary, South Carolina*

Adams shows that Christian manhood is neither effeminate nor machismo, but godly, humble, servant-hearted, and strong. I warmly commend this monograph on manhood as an instructive and practical resource for men and women alike.

**Jon D. Payne**

*Senior Pastor, Christ Church Presbyterian, Mount Pleasant, South Carolina; Executive Coordinator, Gospel Reformation Network*

This book ... strikes the perfect balance between strength and compassion, bravery and humility, confidence and meekness. I hope all of our churchmen read this—from goateed twenty-somethings to gray-bearded family patriarchs—each will find themselves sanctified as I did.

While the question sounds simple, in today's world, it's anything but. Culture offers endless, conflicting answers—define yourself, erase differences, or squeeze into a narrow mold. The result is confusion and uncertainty.

In this concise, biblical booklet, Mary Kassian points to an unshakable truth: God created you as a woman intentionally, purposefully, and lovingly. Womanhood isn't a problem to solve. It's a glory to be discovered—one that points beyond yourself. Because here's the surprise: your womanhood isn't ultimately about you at all.

# 40 Questions About Mormonism

## 40 QUESTIONS SERIES

Kyle Beshears

*A Christian exploration of the LDS Church that seeks to understand, not just refute*

Many Christians struggle to form an accurate picture of the beliefs, practices, and attraction of the Church of Jesus Christ of Latter-day Saints. *40 Questions About Mormonism* addresses how the Mormon faith developed, what it teaches, and how it differs from traditional Christianity.

Kyle Beshears draws on years of dialogue with LDS Church members to ask and answer the most pertinent questions for understanding today's Church of Jesus Christ of Latter-day Saints, covering history, sources of authority, doctrines shared with Christianity, unique doctrines, and more. Among the questions addressed are:

- Is Mormonism just an American religion?
- How do Latter-day Saints view the Bible?
- What is the origin of the priesthood?
- What is the Latter-day Saints' view of Jesus Christ?
- Why does Mormonism have temples?

These historically and biblically insightful answers allow readers to better understand both traditional Christian faith and the distinctive elements of Mormonism. Readers will feel more confident forming friendships with LDS adherents, viewing them as neighbors whom God loves, and witnessing to them as such. Instructor resources are available at [40questions.net](http://40questions.net).

**Kyle Beshears** (PhD, Southern Baptist Theological Seminary) is campus pastor at Mars Hill Church in Mobile, Alabama, and has taught religion at the University of Mobile. He wrote his dissertation on Mormon history, has published in the *Journal of Mormon History*, and serves on the board of the John Whitmer Historical Association. ## Joshua

*A Commentary for Biblical Preaching and Teaching*

KERUX COMMENTARIES

Randall L. McKinion & Jason K. Lee

*Kerux Commentaries enable pastors and teachers to understand and effectively present the main message in a biblical text*

Each volume uniquely combines the insights of an experienced Bible exegete (trained in interpretation) and a homiletician (trained in preaching). These two authors work together to explain the essential message for the original listeners or readers, unpack its timeless truth, and then provide a contemporary restatement and communication insights for the key biblical concept. Every book is a resource designed and written with the real needs of the pastor and teacher always in view, providing many ways to creatively express the principal thought in a biblical passage.

The book of Joshua acts as a hinge within the biblical text: it connects the promises of God to Abraham and their initial fulfillment through Moses to the stories of the judges, kings, and exilic communities. Likewise, the themes of covenant, law, land, and obedience provide a theological framework for understanding the narrative arc of the book, the larger story of Israel's relationship with YHWH, and the coming promised seed of Abraham. Through Joshua, then, the believer is given a view into God's faithfulness in past times and a vision for his faithfulness in the future.

Based on the Big Idea preaching model, Kerux enhances the reader's ability to deliver a message that is biblical, cohesive, and dynamic.

**Randall L. McKinion** (PhD, Southeastern Baptist Theological Seminary) serves as professor of Old Testament at Cedarville University.

**Jason K. Lee** (PhD, University of Aberdeen) serves as professor of theological studies and director of the Center for Biblical Integration at Cedarville University.

## 1 Corinthians

*A Commentary for Biblical Preaching and Teaching*

KERUX COMMENTARIES

Michael H. Burer and David B. Kieffer

*Kerux Commentaries enable pastors and teachers to understand and effectively present the main message in a biblical text*

Each Kerux volume uniquely combines the insights of an experienced Bible exegete (trained in interpretation) and a homiletician (trained in preaching). Together, these two authors explain the essential message for the text's original listeners or readers, unpack its timeless truth, and then provide a contemporary restatement and communication insights for the key biblical concept. Every book is written with the real needs of the pastor and teacher in sight, providing many ways to creatively express the principal thought of a biblical passage.

The Corinthian church was home to a wide array of different ethnicities, cultures, and social classes. Consequently, the church had numerous problems living out its proper identity as the body of Christ. Authors Michael H. Burer and David B. Kieffer show how, with deep theological reflection and application, Paul addressed the factionalism, social stratification, theological issues, and harmful behaviors that had been imported into the church.

Based on the Big Idea preaching model, Kerux enhances the reader's ability to deliver a message that is biblical, cohesive, and dynamic.

**Michael H. Burer** (PhD, Dallas Theological Seminary) served as dean of faculty and professor of New Testament studies at Dallas Theological Seminary. He recently published an exegetical commentary on Galatians and regularly teaches classes on exegesis and Greek grammar.

**David B. Kieffer** (ThM, Dallas Theological Seminary) received a master of theology degree with an emphasis on homiletics. He served as pastor of Redemption Bible Church in McKinney, Texas. He is currently a copywriter for GuideStone and serves as an elder at Trinity Bible Church.

## My Sheep Follow Me

*A Study of Perseverance and the Threat of Antinomianism*

Jonathan R. Pratt

*How do believers persevere in the faith? What does growth in holiness look like?*

Christian teaching is often clear about justification—how God saves his people—but murky about sanctification, or perseverance—how believers grow in closeness to God over time. Jonathan R. Pratt explores what progress toward holiness looks like and how it takes place.

*My Sheep Follow Me* begins with an investigation of the New Testament’s teaching on perseverance:

- Jesus’s metaphors, including the “fruit” of belief, obedience, and love;
- Paul’s demonstration of believers’ righteous responses to the Holy Spirit;
- belief as evidence in the letters of Paul and others;
- promises of God’s help in perseverance; and
- God’s use of his Word, suffering, the church, and prayer to assure his people’s perseverance in faith.

Pratt then surveys how antinomianism, common in Protestant Christianity both historically and today, threatens biblical teaching. He shows how a biblical doctrine of perseverance squelches the devastating effects of ignoring God’s spiritual gifts to believers. *My Sheep Follow Me* offers important cautions of distorted teaching and valuable encouragement in the process of Christian growth.

**Jonathan R. Pratt** (PhD, Dallas Theological Seminary) currently serves as academic dean and professor of New Testament at Central Baptist Theological Seminary of Minneapolis. He is also an elder at Redeemer Bible Church in Minnetonka, Minnesota. He and his wife Elaine have four children and five grandchildren.

# FAITH-AFFIRMING FINDINGS

50 ARCHAEOLOGICAL DISCOVERIES THAT VALIDATE THE HISTORICITY AND RELIABILITY OF SCRIPTURE

Paul D. Weaver

## Faith-Affirming Findings

*50 Archaeological Discoveries That Validate the Historicity and Reliability of Scripture*

Paul D. Weaver

*Discover fifty historical treasures that will reinvigorate your exploration of the Bible*

If the Bible is inspired and inerrant, then the archaeological record will affirm it. And it does—as archaeologist and Bible professor Paul D. Weaver demonstrates. While biblical archaeology can neither prove nor disprove the main tenets of the Christian faith, its findings do support Scripture’s historical credibility. *Faith-Affirming Findings* presents the fifty discoveries from the ancient world that are most relevant for students of the Bible. Among these are:

- the “House of David” Stele,
- the Moabite Stone,
- Hezekiah’s Tunnel,
- the Behistun Relief,
- the Jesus Boat,
- and more.

Through images of these important artifacts and sites, discussions of what they demonstrate about the ancient world, and reflections on their relationships to the Bible, readers will grow in their confidence that Scripture is reliable. *Faith-Affirming Findings* promises to be a valued and encouraging resource for those committed to studying the Bible. # Evangelism and the Great Commission

*Reflections on Sharing and Cultivating the Gospel*

**Bobby Worthington & Shane Pruitt, editors**

*For Bible-believing, gospel-preaching churches, evangelizing the lost is not optional*

*E*vangeli*s*m and the Great Commission provides the right kind of help for churches, organizations, and individuals struggling with evangelism. Showing how evangelism can become a regular part of prayer, teaching, modeling, and practice, this book points out the path faithful evangelists tread and prepares readers for the terrain.

# Jewish Missions in the Shadow of the Holocaust

Mitch Glaser

*A comprehensive study of evangelical efforts to Jews during the early twentieth century*

How successful were missions to the Jews between 1900 and 1950? This volume walks readers through the history of missions to the Jewish people in Continental Europe by Protestant missionaries during that time period, and also examines the impact of the two World Wars, the Communist revolution, the rise of Zionism, and the Holocaust.

This research project studies history to determine what principles might be useful and applicable to today and in the future. The study is written chronologically and narratively to weave the various missionaries and locations across Europe into one story.

It's no surprise that missions to the Jews were greatly impacted by outside circumstances, internal movements, and the church at large, but studying this time in history in depth can reveal the best methods of mission work to the Jewish people in light of their troubled past.

Mitch Glaser holds an MDiv in Old Testament from the Talbot School of Theology and a PhD in intercultural studies from Fuller Theological Seminary. He coauthored *The Fall Feasts of Israel* with his wife, Zhava, and is the coeditor of *To the Jew First*; *The Gospel According to Isaiah 53*; and *The People, the Land, and the Future of Israel*.

## What's Missing from the Evangelical Gospel?

*Introducing Imputationists*

Peter Sammons

*The gospel in its fullness is the hope of the world*

The doctrines of imputation—imputed guilt, imputed sin, and imputed righteousness—have historically been a rallying point for evangelical Christian faith, yet they have faded into obscurity in many evangelical circles. In *What's Missing from the Evangelical Gospel?*, Peter Sammons offers a robust exploration of this threefold doctrine. Weaving together systematic theology, in-depth exegesis, and a defense against distortions and rejections, Sammons presents a sweeping vision for imputation's pivotal place in gospel-centered theology.

Sammons elevates the necessary teaching on “the active obedience of Christ” in securing believers’ salvation and right standing with God. *What's Missing from the Evangelical Gospel?* lays out the theological and biblical concepts foundational to understanding imputation, such as

- the *imago Dei*,
- God’s moral law,
- sin imputed to Christ,
- scriptural illustrations of imputation, and
- the doctrine of justification.

Understanding imputation proves essential to understanding how believers are saved and justified by a just and holy God. Sammons shows how grasping imputation leads to fuller awe, love, and trust of God, whose righteousness is imputed to believers through Christ.

**Peter Sammons** (PhD, The Master’s Seminary) serves as the director of academic advancement at Founders Seminary. He is the author of *The Forgotten Attributes of God* and *Reprobation and God’s Sovereignty*, as well as numerous articles on theology and doctrine. Dr. Sammons is committed to equipping the next generation of Christian leaders through rigorous theological education and a steadfast devotion to the authority of Scripture.

# Recovering a Vintage Faith

Five Fundamentals of Evangelical Identity

Cory M. Marsh

RELEASE DATE JANUARY 2026

## DESCRIPTION

### Rediscovering the Essence of Evangelical Faith

In *Recovering a Vintage Faith*, Cory Marsh argues that authentic evangelical identity is anchored in five fundamentals:

- the supremacy of Scripture
- the exclusivity of Jesus
- a zeal for evangelism
- participation in theological education
- commitment to the local church

Marsh contends these essentials have been obscured in modern evangelicalism, resulting in an unstable "evan-jello-calism" driven by cultural trends rather than biblical conviction. With clarity and insight, he calls evangelicals back to their historic theological roots, casting a vision for a vibrant faith defined by right belief and behavior. A timely, provocative manifesto for the evangelical church.

## AUTHOR

Cory M. Marsh, PhD is Professor of New Testament at Southern California Seminary (El Cajon, California) where he also directs the ThM degree program and publishing arm, SCS Press. Additionally, Dr. Marsh serves as Scholar-in-Residence at Revolve Bible Church (San Juan Capistrano, California) and co-hosts the Pastor Scholar Podcast.

# Ezekiel: A Prophet in Exile

Scott Redd

RELEASE DATE 17 MARCH 2026

## DESCRIPTION

*Ezekiel: A Prophet in Exile* by Scott Redd makes one of Scripture's most challenging books accessible to modern readers. Writing during the Babylonian exile, Ezekiel delivered both devastating judgment against Jerusalem's corruption and stunning hope for restoration. Redd expertly guides readers through the prophet's dramatic visions—the divine chariot, valley of dry bones, and restored temple—showing how these ancient images point ultimately to Christ and the church.

### Three Key Benefits:

- **Clear explanations of Ezekiel's complex visions and symbolic actions make this difficult book understandable**
- **Christ-centered interpretation reveals how ancient prophecies find fulfillment in Jesus and the New Testament church**
- **Pastoral application connects Ezekiel's message to contemporary struggles, offering hope during seasons of difficulty**

This commentary combines scholarly insight with pastoral wisdom, proving that Ezekiel's message remains powerfully relevant for today's believers.

The Focus on the Bible series commentaries are popular-level commentaries, especially helpful for pastors and small group leaders. They are useful for personal devotions and spiritual growth. Many of the authors of the commentaries are leading expositors of God's Word on their speciality subjects. The series holds to the inerrancy of scripture and the uniqueness of Christ in salvation.

## AUTHOR

Scott Redd is Lead Pastor of Briarwood Presbyterian Church in Birmingham, Alabama. He is also a visiting lecturer in Old Testament at Reformed Theological Seminary. He and his wife, Jenn, have five daughters.

## ENDORSEMENTS

## DESCRIPTION

### Creation is Fallen: Unraveling the Mystery of Natural Evil

*With foreword by Hans Madueme*

Delving into one of Christianity's toughest questions, this book explores why a good God allows animal suffering and natural evil. Drawing from both Scripture and science, Coulson examines the historical and theological roots of animal suffering, predation, and natural disasters. He traces the debate from the Church Fathers through to modern creationist and evolutionary thought, critically engaging with the most influential theodicies and defenses. With vivid real-world examples—from the parasitic cuckoo bird to the realities of predation and extinction—Coulson brings the problem of natural evil into sharp focus.

Unlike many books that gloss over biblical nuance or scientific detail, *Creation is Fallen* offers a rigorous, balanced approach. Coulson's expertise in both theology and science shines as he navigates complex questions about the Fall, the meaning of "very good" in Genesis, and the implications for Christian faith today.

Perfect for anyone seeking thoughtful answers about the reality of evil in the natural world. Discover why understanding the fallen nature of creation is essential for a robust, honest, and hope-filled Christian worldview.

## AUTHOR

Ken P. Coulson holds a PhD in earth science and is currently working on a master's degree in apologetics. He teaches as an adjunct at two Christian universities, and is the founder of the Creation Unfolding YouTube channel that engages Christianity as it intersects with science. This is where our adventure gets really exciting! Calvin is about to show us how God reveals himself most clearly-through his Word, the Bible.

Think about it like this: God revealed his power through creation, but then he gave us something even better so we could actually know him personally. Are you ready to dive into Scripture with Calvin and discover the most incredible treasure of all-truly knowing God through his Word?

Get ready to explore:
